Milan, 24 November 1910.

Mr. President,  
The American Numismatic Society,  
New York.

I take pleasure in sending you, under separate cover, by registered post, a copy of La Revue Annuelle "Medaglie = Placchette = Fusioni" which I am issueing as a successor to the illustrated album which I published in 1906.

It is a modest offering, but one which I hope you will receive favorably, because it has been written in hope of developing a taste for art, and showing the numismatic importance which the medal may have.

With profound respect

yours devotedly,

S. Johnson.

Dear Sir:

When I was in Milan last August, Dr. Vincenzi of the Castello Sforzesco suggested that I try to meet you but said that he knew you were out of the city at that time, and I was consequently deprived of that pleasure.

I am now writing to ask if you have at your establishment any connection with the making of the decorations of the recent war, and whether you know anyone in your section of Italy who collects Orders and Decorations.

We have Armani's book published in Rome fairly recently, but one of the members of our Society is interested in medals and decorations of Italy, and desires to correspond with someone who can answer his questions authoritatively.

I should also appreciate it if you could give me the names of any other recently published books treating this branch of numismatics.

Trusting my request will not inconvenience you, I am

Very truly yours,

Milan, Italy.

Dear Sir:-

Permit me to acknowledge with cordial  
thanks the receipt of the copy of your volume

"LE RIVENDICAZIONI ITALIANA DEL TIRISTINO E DELLA  
VENEZIA CIVILIA NELLE MEDAGLIE".

We are very glad indeed to have this  
for our Library. It is a splendid piece of  
work, and I beg that you will accept my con-  
gratulations for having published so complete  
and so fine a record of the medals relating to  
the present war issued by your Company.

Again thanking you for your gift, I  
beg to subscribe myself

Secretary.

Dear Sir:

Mr. William Chauncey Langdon, the Chairman of our Committee on Foreign Medals, has written to you at my suggestion regarding the exhibition which we propose to hold in our Museum next Fall. Mr. Langdon's efforts to get into touch with Italian sculptors who might have medals to exhibit have not proved fruitful, and I informed him I felt sure you would be glad to aid him. It would be very regrettable if Italian medallists were not represented.

The responses we have had from other countries has been very gratifying, and knowing your great interest in anything affecting the medallic welfare of your country, I bespeak your support of the work which Mr. Langdon is trying to do.

With assurances of my cordial esteem, I beg to subscribe myself,

Very truly yours,

Secretary

Dear Sir:

Thank you very much indeed for the copy  
of the brochure on the work of Angelo Cappuccio  
which we are very glad to have for our library.  
It makes a very handsome Memorial of the work of  
one who has done a great deal to uphold the artis-  
tic standards of the medal in his own land.

Very truly yours,

Librarian and Secretary

Dear Senor Johnson:

One of our members has asked whether it will be possible for him to purchase a copy of a medal illustrated in your book "Le Rivendicazioni Italiane del Trentino e della Venezia Giulia nelle Medaglie", No.712, on page 355.

This gentleman served on the Italian front and is particularly interested in this piece. If it is possible for you to send a specimen, together with your bill, we shall greatly appreciate it.

Very sincerely yours,

Secretary.

Dear Signor Johnson:

Thank you very much indeed for your letter of December 11th and for the medal which accompanied it, which you have so courteously sent for presentation to one of our members who desired to have it. We very much appreciate your action. The medal seems to me to be a very happy bit of design and quite up to the high standard of the work which your establishment is sending out.

I beg that you will accept my cordial wishes that the New Year may be a happy and successful one for you.

Yours very truly,

Secretary
